Dear Parents and Carers

You may be aware that Ofsted visited our school recently and I am pleased to send you a copy of the letter we have received which confirms that our school is judged to be GOOD. This and lots more information about our school can also be found on our website at www.newtonswalk.derby.sch.uk.

The report is very positive and provides a lovely snapshot of the work we are doing to ensure that your child enjoys school, is safe and making good progress in their time with us. I am sure you would want to join me in thanking Mrs Copestake and everyone in the staff team at Newton's Walk for everything they do. Governors were also delighted with the report, and feel very proud of all our children and our hardworking staff.

I know that a number of parents were contacted by Ofsted as part of the inspection process and so can I thank everyone for their comments and contributions to this process. It is important for us all to continue to work together to support the children in their education and so can I take this opportunity to say thank you for your continued support.

Kind regards
